Prachi Bindal - Machine Learning Engineer

Third Year (B.Tech)
Computer Science & Engineering
at UIET, Rohtak
CGPA:8.35 till 3rd Sem

FCA-116 Garg Colony, ballabgarh
Faridabad, India
Mob.: +91-8178972397
Email.:prachibindal2925@gmail.com
Web.:http://prachibindal.xyz

personal website:// **prachibindal**

Skills

OS
Linux, Windows

LANGUAGES
C/C++, Python

FRAMEWORK
Django, flask

DATABASES
MySQL

SKILLS
Sklearn, pandas, NumPy, Matplotlib, Keras, TensorFlow, Machine learning, Deep Learning, Open CV, DSA, HTML, CSS, Bootstrap

Coursework

Data Structures
Algorithm
Neural Networks
Discrete Mathematics
Operating Systems
MySQL
Data Analysis

Education

2019-2023
B.TECH. IN CSE
UIET, Rohtak
CGPA : 8.35/10(3rd Sem)

2018-2019
HIGH SCHOOL
Aggarwal Public School, Faridabad, ballabgarh
Percentage: 82.5%

Experience

2020-2021 **DSC CORE TEAM MEMBER**
DSC is a community which is being managed by Core team members. As a part of DSC, I have helped in organized events, helped seniors with their projects, solve students doubts, issues, managed 30 Days of Google Cloud.

2021-NOW **Technical Content Writer**
Written more than 10 articles in Python, machine learning, Automation - selenium, visualization using Matplotlib

My Articles

Self Project

Clean Bell

Python,Sinch, openCV

It is a OpenCV based project. A face is detected by web-cam, and it sends notification to your phone.For SMS integration, we have used sinch.

Virtual Painter

Open CV, mediapipe

It is an Open CV based project, made using awesome library called media-pipe to virtually paint and erase the drawings with the flexibility of changing into three colors.

Instagram Automation

Python , selenium, Instagram

It is an automation project made using selenium in python. It main task is to automate the process of sending the messages to many people instead of doing the task manually.

Speech Recognition

Python,gtts

It is a basic python script that can search for you, tell time, can talk to you (mini Alexa).

SOFT SKILLS

Eye for detail, Getting the work done, Ability to Work under pressure, Communication, Time Management
